“

Graduate of a master in graphic design, I started my studies and cultivated an artistic vision at the School of Fine Arts of Rouen. This multidisciplinary allowed me to collaborate with creative structures both in the context of art commissions and workshops.

At Brainjuice, I'm a graphic designer specialized in identity creation & branding. My skills and knowledge of visual codes encourage me to approach my projects from a creative and innovative angle.

”

Work experiences

BRAINJUICE STUDIO
8 / 2016 till today

Creation of visual identities for a global design studio (logo, website, layout, computer graphics, illustration, pictogram, business card, cardboard, portfolio, template...).

Achievements of graphic charts and visual identities for different customers (Serre Chevalier, Klépierre, Frey, SCC) Graphic execution work in collaboration with designers and architects (Signage, stickage, wall covering, carpet, goodies...).

MAD RESIDENCY 10-11 / 2015

Residence in MAD (Mode and Design center) Brussels, visual identity creation of the Ecco Freddo project.

WORKSHOP CL 10 / 2014

Workshop sign painting with Kevin Cocquio from Club Lettreurs.

CLICK CLICK GRAPHICS
2-5 / 2014

Internship with Click Click Graphics, a design studio, Brussels (logotype, visual identity wishcard, webdesign).
